Tuition Reduction

87Afterschool sponsored by the PS87 Parents Association, operates on a break-even basis. We do not receive government or other outside funding. PS87 Parents Association/87Afterschool is strongly committed to offering subsidized rates to families whose children otherwise might not be able to experience the 87Afterschool program.

Scholarships/tuition reduction is based on the following criteria:

- Demonstrated financial need. (See Maximum Income Eligibility Chart, below. Income eligibility figures are derived from DOE guidelines determining qualification for free/reduced price lunch. These figures are adjusted each year.)
- Completed Reduced-Rate Tuition Request application and documentation returned in a timely manner.
